

Consent form for taking and using photographs

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from May. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others; we would appreciate you taking the time to give consent again.

Dear Parents and Carers,

At Upwood Primary School, we sometimes take photographs or videos of pupils. We use these photos on the school's website; in local newspapers and newsletters; in the children's school books; and on display boards around school and videos for self-evaluation by the children and presentations.

We would like your consent to take photos and videos of your child, and use them in the ways described above. If you do not wish to give consent, please indicate below. If, at any time, you would like to change your consent, please inform the school in writing.
