Positive Behaviour Policy

At Upwood Primary Academy, we want our children to grow into well rounded individuals who have **resilience** and the moral character to overcome challenges, succeed and meet their potential. We would like children to thrive, developing a lifelong love of learning and encouraging children to be **curious** and positive. We promote **kindness** and understanding.

Our Academy values are:

Curiosity

Resilience

Kindness

All members of the Upwood Primary Academy community understand that positive behaviour and attitudes enable children to make the most of school experiences and aid success in learning. We encourage all children to follow 'The Upwood Way':

- To be respectful;
- To behave safely;
- To learn well;
- To display teamwork.

Posters showing 'The Upwood Way' are displayed throughout the academy and children are rewarded with certificates and Golden Time, for demonstrating these key behaviours.

Aims

At Upwood Primary Academy we aim to provide:

- A safe and happy environment which provides the opportunity for each child to reach their potential and recognise high aspirations.
- An ethos of care, appreciating different qualities and recognising each child as an individual
- Exciting learning opportunities that will develop knowledge and skills, both academic and social, to prepare children for the future
- A secure yet challenging atmosphere where children feel confident and self-motivated to take risks and so become active and independent learners

We aim to:

- Raise children's self-esteem and help them to have confidence in themselves

Strategies

Promoting Good Behaviour

At Upwood Primary Academy, our aim is that children demonstrate positive behaviour, as outlined above because they recognise the value of this for both themselves and others. To help support this, other rewards are sometimes used to encourage children to behave well:

- Non-verbal signals, such as smiles or thumbs up.
- Verbal and written praise
- Stickers to show success.
- Sending to another adult for praise
- Team points awarded for Mckie Mastery learning behaviours. Winning teams are awarded prizes each week for demonstrating the following behaviours:
 - Active Listening
 - Teach and Support
 - Job Done
 - Everyone Engaged
 - Explain and Elaborate
- Earning Golden Time
- Weekly certificates awarded for demonstration of Academy Values and specifically for demonstrating positive behaviour.
- Contact with parents/carers.

Golden Time is a system used within the Academy to promote positive behaviour. Each child begins the week with thirty minutes of Golden time. In line with our staged consequences, children may lose Golden Time for instances of unacceptable behaviour. This can be earned back when positive behaviours are demonstrated. Children are able to use their Golden time on a Friday afternoon on a range of activities, such as crafts and games. Children earning in excess of thirty minutes Golden time, are provided with additional rewards.

The value of positive behaviour is directly taught to all children as part of the PSHE curriculum and is also reinforced regularly during assemblies.

Dealing with Inappropriate Behaviour

We have developed a staged response to deal with inappropriate behaviour. During each stage, staff will talk to the child non – publicly, to explain why the behaviour is unacceptable.

Consequences Grid

Sometimes consequences are required to support the reinforcement of positive behaviours. We have divided these into progressive stages as follows (not an exhaustive list):

Complex Needs

Upwood Primary Academy is an inclusive school, and it must be recognised that some children have complex emotional and behavioural needs and will need tailored support or bespoke arrangements. Staff acknowledge that we have a legal duty to safeguard all pupils and to support children with SEND.

Resources to support behaviour are located in the Assistant Headteacher's office. Each morning, support staff also run a sensory circuit for any pupils requiring extra support. Resources used within sensory circuit are located in the large cupboard in the hall.

Reintegration

If a child has completed an exclusion period, a reintegration meeting will take place between the child, their parent(s), a member of SLT and the class teacher. This is to clarify the expectations on the child/parent moving forward; the behaviours that meant an exclusion was necessary and to discuss further actions, such as the implementation of an EHA or support plan.

Log of Behaviour Concerns

Any examples of unacceptable behaviour are recorded on the MyConcern system in school. This software enables staff to track patterns of behaviour to offer support. Upwood Primary Academy also maintains a Welfare Log, which tracks any instances of alleged bullying. Upwood Primary Academy has a specific Anti Bullying Policy.
